

Family

Pray for the family members of those in prison who are going through a court case. We ask that the Lord gives them peace and someone to support them through a distressing time.

Pray for C & L, mother and daughter. Pray for improved communication between them and for L to find a place in rehab.

Pray for those who are fearful of a family member released from prison. Pray for wise and healthy decisions for those under this pressure.

Pray for elderly Christian parents whose son was recently sentenced to prison. Pray they will know God's comfort and peace.

Aftercare – Women

We are so thankful to be chosen as the Presbyterian Women Home Mission for 2024/25. May many women feel encouraged and challenged as we share of the work of Prison Fellowship across our island.

Pray for R who was recently released from prison. She struggles a lot with drugs but attended *Lifesplan* faithfully in Hydebank and was always keen to learn. Pray that she would engage in support.

Pray for K who is really struggling with mental health issues. She is incredibly broken. Pray she will believe that she is loved, and things can change.

6th June – *Instilling Hope*, our female aftercare support group, meets in Lurgan tonight. Pray that the women will be open to His word & feel encouraged.

Aftercare – Men

Please give thanks to the churches and prayer groups that support us. We are especially thankful to our friends in Fermanagh, Deane & Alastair, who helped us with a special request.

Please pray for R. He has been doing well in the community for over 6 months, but is likely to face more time in prison. Please pray for him over the next two months. Thank you.

Please pray for D who has been released homeless again from prison and is finding daily life difficult. Give thanks for the help he receives at the PF centre and from our volunteer Brian.

Pray for Ali and the *Voices of Hope*. Ali is currently ill and is praying for healing and recovery soon. Please pray along with the choir for her to get well.

Prison

Please pray for the men who attended the mission in Magilligan. Several spoke to those sharing. Pray for follow-up conversations.

Pray for J who has a long time left to serve in prison. He has many questions about God but is struggling to make the commitment.

Please pray for safety for N who has recently been released. Also, pray for M who is going through a difficult time in custody.

Pray for continued interest at *Prison Alpha* course and give thanks for the men who regularly attend.

Please pray for C who will be released soon and does not want to get caught up in drugs again.

Volunteers

Please pray for our new volunteers coming to help with *Lifesplan* men's Bible study and *Instilling Hope* Belfast group. Pray for building strong relationships with those in our care.

Pray for all our active volunteers in family work, Aftercare and Prison that they would protect their own walk with the Lord as they seek to help others.

As we start to make plans and preparations for our Christmas Hope project 2024, please pray for all the details that go into the planning for that and that God would be honoured and glorified through it.

Pray for all our active volunteers that they would protect their own walk with the Lord.

Please visit pfni.org/news for more information.

Thank you for your prayerful support.
